Name of Programme: (B.A. with English)

General Aims & Objectives:

Following aims & objectives are desired to be achieved by Teaching language through literature to students. At the end of this programme, students will be able to:

- Acquire new vocabulary & understand both form & content words.
- Enrich their active and passive vocabulary and enhance the usage of language structures.
- Develop the linguistic ability of students & to enhance their critical, analytical & appreciative faculties.
- Express the ideas of the passage/stanza orally and in writing as substance, summation and précis as well as to analyse the stylistic features of the passage.
- Enjoy the subtle nuances and texture of various genres of literature.
- Develop their imagination and creativity by exposure to a wide variety of literary forms.
- Have a better engagement with the text thus making them better readers & thinkers.
- Enjoy reading & writing through creative engagement with the text.
- Appreciate and understand the various genres of literary and non-literary writing.
- Read with accurate and appropriate pronunciation, stress, intonation, pause and articulation of voice in consonance with the type of literary passages prescribed in the curriculum.

Expected Outcomes of the Program

1. Basic Competencies/Communications skills:

The aim of this course is to focus on the four basic language competencies viz. LSRW or Listening, Speaking, Reading & Writing.

The students learn to communicate by focusing on these basic competencies & they will be able to:

- Listen effectively in English to understand and learn.
- Understand and speak the English language fluently with correct accent & pronunciation.
- Write effectively in English language for personal or professional purposes.
- Read, comprehend and use written materials in English, including Graphs, Charts and Displays.

2. Personal Management Skills

These skills define our relationships with others & how we approach our life & work. On completion of this programme the students will be able to acquire & demonstrate:

- Positive Attitudes and Behaviours.
- High Self-esteem and confidence.
- Honesty, integrity and personal ethics.
- A positive attitude toward learning, growth and personal health.
- Initiative, energy and persistence.
- The ability to set goals and priorities in work and personal life.
- The ability to plan and manage time, money and other resources to achieve goals & accountability for actions taken.

3. Cognitive Skills:

The focus of entire course is to enable a holistic development of the students by providing them a series of academic experiences to promote their growth. Following cognitive skills are expected to be acquired by the students :

- Act logically to evaluate situations, solve problems and make decisions.
- Novelty, creativity, critical & analytical thinking along with academic excellence.
- Access and apply specialized knowledge from the field of literature.
- Interest in linguistic & aesthetics aspects of the language.
- Enhance their vision through exposure to diverse cultures, traditions and literary creations.

4. Teamwork Skills

- Exercise "give and take" to achieve group result
- Understand and contribute to the team goals
- Understand and work within the culture of the group
- Plan and make decisions with others and support the outcomes
- Respect the thoughts and opinions of others in the group

Course Specific Objectives:

- 1) **Discipline Specific Core (DSC)** courses aim to cover the basics that a student is expected to imbibe in this discipline and hence to familiarise the students with different genres of writing.
- 2) **Discipline Specific Elective (DSE)** courses are advanced courses which provide an extended scope to explore other domains and nurture the students' skills.
- 3) **Skill Enhancement (SEC)** courses are value based courses that aim to provide hands on training to hone the skills & competencies.
- 4) **Generic Elective (GE)** courses are interdisciplinary and provide exposure to students of other disciplines who opt to study these courses in English thereby broadening the scope of learning.
